2007 MDAD 40th Biennial & PCRID Annual Conference

Together. Stronger.

In-Kind Donation

There are some expenses that conference coordinators find to be quite expensive and cost prohibitive, as a result, some organizations have offered to donate them in lieu of cash donations. These include: sign language interpreting services, CART and equipment donations such as LCD projectors and FM loop systems. We have developed a breakdown of the direct cost of these services and welcome such donations. For those organizations that would like to offer sign language interpreting services, please keep in mind that all interpreters must have current, RID recognized certification.

- Interpreting = $45/hr per interpreter
- CART = $ 250/hr per captioner
- LCD projector = $200/day per unit
- FM loop = $85 per 3 days
